Copy
of a Chart made by a
Native of O'Taheitee, named
Tupaïa.
Containing about 45°. of
Longitude.
Notes. Orivavie*1 This is probably Wallis's I.d Tupia said, they had good
hatchets there.
Orimatema*2 perhaps is Keppels I.d
Ohivavie*3 Tupia called the father of all the rest.
All those which have Oheti prefixed or affixed
seem to have been ill-understood.
Oheti signifies something equal to "this is called"
e.g. Oheti-poto = this is called-Round Island
